EASTER SUNDAY APRIL 12th!

There isn't any doubt but there are more FERNs and other plants sold the week prior to EASTER than any other week of the year.

The extreme cold winter has killed practically all house plants and there is the biggest demand for them now than there has been in our 14 years of selling.

So far, this season, we have filled EVERY ORDER on the date specified, but we are frank to say that we do not know how much longer we can do this. Our stock is complete now but fast going.

We URGE YOU to get your EASTER ORDER in NOW.
